SOURCES OF TSARIST RUSSIA'S RESETTLEMENT POLICY IN TURKESTAN

Sultonova Maxfuza Ibroximovna*

*A teacher at Andijan State University,
UZBEKISTAN

ABSTRACT

The article discusses the policy of resettlement of the Russian Empire in Turkestan, the Russian settlements built in the country, their way of life, the main goals of the resettlement policy of the colonial authorities, the conditions created for the resettled population through primary sources. illuminated. Many more Russian settlements have sprung up in Turkestan, in remote areas, around military fortifications or forts. The IDPs were initially exempted from any fees and obligations, and were given cash and an unlimited amount of land.

KEYWORDS: *Colony, Resettlement, Position, Draft Regulation, Township, Residence, Serfdom, Peasant, Empire, Laws, Settlements, Military, Officer, Administration.*
