Temurids, the era of Temurids-a dynasty that ruled the centralized great kingdom, founded in the Middle Ages by sahibkiran Amir Temur. Over the years, Gulbadanbegim has found a reputation among the palace princesses as a literate, virtuous woman. Gulbadanbegim received the highest decree by his nephew Akbarshah when he was over 60 years old to write a historical work expressing the reign activity of his grandfather Boburshoh and father Humunshoh. The journey, which began in the first days of January, ends in March, finally declares that it reached Agra on the 27th day of June. In this regard, it should be noted about Gulbadanbegim's life that when he was seventeen years old, he was married to Khizr Khujakhon, one of Humayun Mirzo's officials.
