ABSTRACT

Ibn A'tham al-Kufi's "Kitab al-futuh" is not learned deeply till today by the scholars. From this case carrying out the research about this book helps us to enlarge our knowledge in source studies and making scientific comparison with other books in this field. There a lot of new information related to Central Asian history in this book. The aim of the research is learning deeply the life of the author and the situation in the period written "Kitab al-futuh", taking notes its scientific value in historical disciplines, making scientific comparative analyses with other historical books and as a result to show its important value in history and source studies.

Keywords: Preacher, Mu'tazila, Mihna, Shi'ite, Sunni, Isnads.
