**ABSTRACT**

*In this paper an attempt has been made to identify the impact of Corruption in our society. The first section deals with the meaning of Corruption and second section focuses on agencies of anti-corruption, while the third section highlights the anti-corruption measures and the last section of the paper dwells upon conclusion. The nation lost \$ 213 billion (roughly Rs.9.7 lakh crore) in illegal capital flight between 1948 and 2008. However, over \$125 billion (Rs.5.7 lakh crore) of that was lost in just is decade between 2000-2008, according to a study by Global Financial Integrity (GFI). The Commission receives complaints against corruption and malpractices directly from the aggrieved citizens. It can also gather information about the same from press reports, audit reports, various department/enterprises concerned, allegation made by Member of Parliament and Reports of Parliamentary committees.*
