ABSTRACT

In this article modern Uzbek poetry and the role and significance of Ikrom Otamurod's work in it. The peculiarities of the poet's lyrics, innovations in his style, and mastery of the image are analyzed. One of the great contributors to such good deeds is Ikrom Otamurod, a great poet of modern Uzbek poetry. The poet has a deep place in the hearts of his followers with his philosophical and vital poetry. The peculiarity of the poet's poems is that they are far from informing, from conveying any information, from teaching the reader. It's just a matter of pouring in as much as you can.
