THE IMPORTANCE OF EDUCATION AND EDUCATION IN RENEWAL OF UZBEKISTAN

Karimov Elmurod*

*Lecturer,

Andijan State University, UZBEKISTAN

ABSTRACT

The ultimate goal of social development is not the maximum increase in production, but the creation of conditions for people to live well, work productively, live a long life, live a healthy life (not get sick), receive education and knowledge. Is creating opportunities for nowadays, education plays a key role in defining the essence of every person's life. In the formation of a person's worldview, in the study of the secrets of life, in the search for his place in life, in short, in the formation of an individual as a part of the society in which he lives - as a person, his knowledge is very important. This article discusses this.
