 UZBEKISTAN

**ABSTRACT**

*In this article, the author discusses the negative social impact of corruption on society as an immoral phenomenon, the forms and means of counteracting it. From a legal point of view, anti-corruption standards were studied. Based on an in-depth analysis of national and international norms, conducted opinion polls, scientifically grounded proposals and recommendations were put forward to resolve existing problems and shortcomings in the field of combating corruption.*

**KEYWORDS:** *Corruption, Opposition, Immorality, National Standards, International Norms, Legal Status, State Employee*
