### **ABSTRACT**

Rituals and ceremonies by materialistic people can adversely impact on the minds and spirituality of youngsters. A subculture is an anti-traditional culture that affects the level of the knowledge of young people. If we compare main discrepancy between culture and subculture, we should take into consideration the subculture of internet because internet is a rich collection of materials which gives opportunity to people to express opinions in a global information space. And it services as a vehicle for the rapid spread of subcultures.
