ABSTRACT

The article analyzes the life of Zarathushtra as a historical person who fought against polytheism, spreading the monotheistic doctrine that hinders the development of society. In addition, the interpretation of the personality of Zoroaster and his teachings as a phenomenon, the emergence of Zarathushtra as a passionate phenomenon between the needs of a historical personality, the need for social consolidation of the needs of society on the basis of the Gaths of the Avesta interpreted as "prophetic" words.
