ABSTRACT

The purpose of the subject "Uzbek language" is to form the skills of students to apply the knowledge and skills acquired in the subject in the process of communication and work, based on the communicative-speech principle of teaching for daily, scientific and professional activities. In order to express the professional needs of future teachers in the Uzbek language, it is necessary, first of all, to improve the content of education on the basis of a systematic analysis of the educational process.

KEYWORDS: *Uzbek Language, State Language, Digital Technologies, Interactive Exercises, Interactive Dictation, Methods, Speech Competence, Questionnaire, Gadgets.*
