ABSTRACT

The article discusses the attitude of Uzbek folklore to Karl Reichl's research and its directions. The works of the scientist in English and German, the author's work as a well-known Turkologist, his translations from Uzbek folklore, the content, content, structure of his research, the comparative analysis of the similarities and differences between the examples of Turkic folklore data are described. The foundations and methods of a comparative approach to Uzbek folklore in world folklore are identified in the example of Karl Reichl's English translation and research.

KEYWORDS: *Folklore, Uzbek Folklore, Karl Reichl, Translator, Translation, Researcher, Epos, Turkic Oral Epic,*
