Navoi State Pedagogical Institute, Department of Biology,  
UZBEKISTAN

### ABSTRACT

*Organizing and directing independent work is a responsible and difficult task for every teacher. Fostering student activism and independence should be seen as a necessary part of the whole educational process. This is one of the most important tasks facing any teacher. Independent work serves as a tool that encourages students to acquire deep and solid knowledge, logical thinking, creative research, and self-assessment.*

**KEYWORDS:** *Independent Work, Independent Education, Students, Education System, Independent Activity, Botany, Zoology, Human And Human Health, General Biology, Deep And Solid Knowledge Of The Student, To Train Young People In Practical Work In Agriculture, Medicine, Plant Growing And Animal Husbandry.*
