THE EMERGENCE OF THE LIBERATION MOVEMENT IN KASHKADARYA

Ravshanova Gulora Poyonovna*

*Independent Researcher at Karshi SU,
UZBEKISTAN

ABSTRACT

The article describes the rise of the anti-Soviet movement in the Kashkadarya oasis to the level of a national liberation struggle. An analysis of the data also shows the courageous leaders who led the struggle as the ideological leader of the volunteers during the uprising, who took an active part in the uprising and led the special rebel groups against the Red Army.
