EDUCATION OF YOUTH IN ISLAM

Bahauddinov Shamsuddin Salievich*

*Doctoral Student of Nukus State Pedagogical,
Institute named after Ajiniyaz,
UZBEKISTAN

ABSTRACT

This article provides recommendations for educating young people. In particular, the responsibilities of parents in the upbringing of young people were revealed. Aspects of parenting in parenting were outlined. Existing problems in the upbringing of young people were pointed out. The solutions to these problems are based on Islamic sources. Data were obtained from reliable sources.
