Candidate of historical sciences,  
UZBEKISTAN

### ABSTRACT

*In this article, large-scale democratic changes are being implemented in our country for the next five years. And in political life, new political terms and terms are emerging, and in the field of political science, barrala is becoming a jangrab. "New Uzbekistan" "third Renaissance" "Central Asia Ruhi" concept is becoming a real reality. New Uzbekistan's renewed cooperation with international and regional organizations and the developing cooperation between the leaders of the countries of the region in the direction of the meeting of the Council of Europe. The good army and peace-loving policy of the Republic of Uzbekistan are reflected.*

**KEYWORDS:** *Central Asia, "New Uzbekistan" "Third Renaissance" Central Asia Ruhi", Foreign Policy, Political Dictionary, International Organization, Regional Organization, Consultation Meeting, Coronavirus, Humanitarian Aid, Political Crisis.*
