ABSTRACT

The article analyzes such issues as the fact that the semantic structure of Chronicles is completely unique, in some cases words begin to perceive the meaning of collective, mass action, and not individual horses, which are used together with possessive nouns, moving away from the specialized meaning, losing its broad meaning, including the fact that chrononyms related to.

KEYWORDS: *Chrononym, Names, Place, Time, Gender Nouns, Toponyms, Time Names, Holiday Names, Uprising, Battle, War, Invasion.*
