ABSTRACT

The article provides a legal analysis of the legal status of private enterprises and the specifics of enterprises. The issue of state protection of private enterprises and the opportunities created for them have been studied. A private enterprise shall have separate property in its possession, may have property and personal-non-property rights on its own behalf and may exercise them, fulfill its obligations, be a plaintiff and a defendant in court. Currently, the most common type of legal entity in the organizational and legal form of a private enterprise are farms.

KEYWORDS: *Private Enterprise, Enterprise Charter, Charter, Business Entities, Plaintiff, Defendant, Entities, Charter Capital, Contract, Financial Resource, Investment.*
