### ABSTRACT

*In this article, one of the main sources in the study of the history of religions is thought about the works of Imam Shahrستاني, as well as his life and work. The article also contains the evaluations and unbiased opinions of the scholars of that period on the works of Imam Shahrستاني. At the same time, some works belonging to the author's pen were also touched upon and tried to shed light on the basis of the available information.*

**KEYWORDS:** *Abul Fath Shahrستاني, "Al-Milal And-Nihal", The History Of Religions, Theology, Shahrستاني, Tolerance.*
