ABSTRACT

This article examines the skill of creating a poetic landscape of the Hero of Uzbekistan, a highly talented Abdulla Oripov. His poems dedicated to homeland and natural scenes are analyzed. Through the analysis of the poems "Uchqun", "Yulduzlar", "Ona sayyora", the poet's ability to create a poetic landscape was studied. It is justified that the artist expresses big philosophical ideas in simple nature images, describes natural scenes depending on the human psyche.
