### ABSTRACT

*The article discusses the emergence and spread of the "Alanquva" legend and its artistic expression in the "Sabai Sayor". She got pregnant." Although she has been a widow for seven years, the fact that Alankuwa, who has been leading the country, is pregnant at an unusual age, is the reason for the increase of all kinds of talk among her compatriots. We consider it an honor for every royal family to be associated with the miraculous history of Alanquva. We observe the same situation in Hafiz Tanish Bukhari's work "Abdullanama".*

**KEYWORDS:** *Alanquva, Legend, Folklore, Mythology, Hobgoh, Motive.*
