ABSTRACT

The article provides a theoretical basis for the study of detective fiction can be classified under two headings: the short story and the full length novel. The detective story has become one of the most popular forms of all genres. The writers of detective novels portrayed various types of detective figures with their strange habits. The crime is investigated by an amateur person, the private detective or police department.

KEYWORDS: *Detective, Subgenres, Portrayed, Curiosity, Engaging Stories, Sustain, Humour.*
