### ABSTRACT

*This article covers the actual problems of today's period, in particular the further development of national spirituality and the work carried out in this regard and the tasks that must be fulfilled. The most urgent tasks before the representatives of social humanities, including philosophical sciences, are clearly stated in the program of the Cabinet of Ministers of the Republic of Uzbekistan "on approval of the concept of continuous spiritual education and its implementation measures". The president of the Republic of Uzbekistan Shavkat Mirziyoyev did not emphasize to the point of view that "another topical issue that always makes me think and worry is connected with the ethics, conduct, cultural level of our youth, in a word, with upbringing".*

**KEYWORDS:** *Spirituality, National Spirituality, National Value, Society, Development, Upbringing, Spiritual Heritage.*
