**ABSTRACT**

*This article describes in detail the positive aspects of the role of the Kazakh poet Abay Kononbaev in the poems and sermons of the rich spiritual and enlightenment heritage, their role in the education of young people. If your heart is in something else and you point to the science you are studying as a reason for that, that is, if you study it only for that thing in your heart, then your love for science will be like the love of a stepmother.*

**KEYWORDS:** *Diligence, Patriotism, Honesty, Enlightenment, Spirituality, Youth, Friendship, Abay.*
