ABSTRACT

The article studied the national regulatory framework for ensuring human rights, freedoms and legitimate interests in operational-search activities, and, according to its legal level, emphasized the division into constitutional, legislative and legislative acts. The norms of the Constitution, laws and legislative acts on human rights and freedoms in the field of operational-search activities are analyzed and proposed to make amendments and additions to the legislation in the field of operational-search activities.

KEYWORDS: *Constitution, Law, Decree, Decision, Instruction, Manual, Regulation, Joint Decision.*
