### **ABSTRACT**

*This paper seeks to expose the reader to who an adult is, what adult education entails, what non-formal education setting is all about. It went further to elaborate the essence of innovative methods of teaching adults in non-formal education setting, how adult enjoy the methods, because it considers their characteristics and shows the educators the way based on who they are too. The adult learners enjoy the fun that make them pick interest because they are considered and given concession as adult and not as children. The paper also suggests that innovative methods be used in teaching adults whether in formal or in non-formal education setting for effective teaching and learning with the adults.*

**KEYWORDS:** *Innovative Teaching Methods, And Non-Formal Education Settings.*
